14.1 SAFE CONDITIONS, EQUIPMENT AND DUTIES

- (a) The City and its employees agree to maintain a safe and healthful place of work and to maintain safety as well as sanitary conditions in accordance with all applicable state laws. Unsafe

working conditions or hazardous jobs which jeopardize the health and safety of the employees shall be directed to the attention of the City. The City shall investigate the complaint and make any and all corrective measures as deemed necessary by the City. The employees and the Union shall cooperate fully in carrying out safe practices and in using safety devices provided by the City.

- (b) The City shall provide all needed and/or necessary safety equipment for the employee(s) to perform the normal tasks of their respective classification(s). These devices and equipment shall be customary safety appliances to safeguard the employees against danger to health life and limb. The City will make available to the employees updated training programs on safety matters and issues as it deems necessary. Such training will be provided as the City deems necessary and will include, but shall not be limited to, training on first aid, cardiopulmonary resuscitation (CPR), toxics and corrective procedures in dealing with toxics.
- (c) Employees agree that the duties and tasks performed by them shall be performed in a safe and healthful manner.

14.2 TRAINING

- (a) Employees interested in professional training shall submit written requests through their immediate supervisor. Such requests shall be reviewed by the supervisor with recommendations to the department head. Funding for the training shall be subject to available funds within the department budget, or if necessary and possible, through approved budget adjustments.
- (b) The City shall pay to reimburse employees for all approved special training, licenses, and certificates, including renewals, so long as the employee successfully completes all phases of the training, license, and certification including passing required examinations.
- (c) Training and testing should be scheduled during the employee's normal work day, whenever possible.
- (d) When required and approved training and testing cannot be scheduled during the employee's normal work day/hours, the employee's time shall be compensated accordingly.
- (e) The City will provide necessary equipment and/or tools necessary for training and/or testing, providing the training is required and approved by the supervisor.

14.3 TUITION REIMBURSEMENT

- (a) The City agrees to reimburse employees for the cost of tuition, books, and fees, excluding parking, up to a maximum of \$750.00 per semester or per quarter not to exceed \$1,500.00 per calendar year.
- (b) Pre-approval of tuition reimbursement must be obtained from the employee's supervisor and department head prior to starting the class. Tuition reimbursement is considered to be exhausted in the calendar year in which it is paid to the employee.

The educational pays will no longer be paid to employees as of the date of this MOU.

Example:

Prior to the new salary schedule being implemented:

A bargaining unit employee is currently at Step F and receives three educational pays at 5% each (\$39.08/hr base pay, plus \$6.16/hr. for three education pays).

After new salary schedule is implemented:

The same individual is now at Step D with a new base pay of \$45.24/hr. The change does not lower the individual's salary; the individual has the same rate of pay.

ARTICLE 15 – REDUCTION IN FORCE

15.1 DISCIPLINARY REVIEW PROCEDURE

- (a) An employee wishing to leave the classified service in good standing shall file a written resignation with the department head at least two (2) weeks before leaving the service, stating the effective date and reasons for leaving. The resignation shall be forwarded to the City Manager with a statement by the department head as to the resigning employee's service performance and other pertinent information concerning the cause for resignation. Failure of the employee to give the required notice shall be entered on the service record of the employee and may be cause for denial of future employment with the City. The resignation of an employee who fails to give notice shall be reported immediately by the department head to the City Manager.
- (b) When a Friday is observed as a designated holiday for applicable employees, the resigning employee shall be paid for such Friday, provided the employee works at least one (1) day following the holiday prior to service separation.

15.2 LAYOFF

- (a) Non-Discrimination in Work Force Reduction
 - (i) Layoffs and demotions which result from a reduction in force shall be made without regard to an employee's race, color, creed, national origin, religion, sex, age, or physical handicap.

15.3 LAYOFF PLAN

- (a) The City Manager, in consultation with the City Council, shall determine the area(s) and position(s) in which layoffs may occur, including the identification of the department, division, work unit, class, and specific position. When a list of the affected areas and/or positions has been prepared, a copy shall be submitted to all affected and recognized employee organizations, and these regulations shall prevail as to the method and manner for implementing such layoffs. Layoffs of employees shall be on a city-wide, classification basis.

- (b) Employees holding temporary, seasonal, part-time, probationary, or provisional appointments shall be laid off first. Employees serving in a regular part-time position shall be laid off second. Employees in classified service who have completed probation (i.e. regular classified employees) shall be laid off last.
- (c) Should it become necessary to layoff regular classified employees, the person(s) laid off shall be those with the least service credit within an identified position in the affected department. If two (2) or more employees in this circumstance possess essentially the same amount of service credit, the City Manager shall determine which person shall be laid off on the basis of efficiency and effectiveness.

15.4 LAYOFF NOTIFICATION

- (a) The City Manager shall give notice personally or in writing to the last known address to each employee affected by a layoff at least fifteen (15) working days prior to the effective date of such action. The notice shall include:
 - (i) The reason(s) for layoff;
 - (ii) Classes or positions to which the employees may transfer or demote within the department, if any;
 - (iii) Effective date of the action;
 - (iv) Rules regarding waiver of reinstatement and voluntary withdrawal from the reinstatement list; and
 - (v) Appeal right of the employee, excluding layoff resulting from abolition of the position.

15.5 REDUCTION IN FORCE

- (a) Except in those instances where senior employees are not qualified to perform the remaining work duties seniority shall determine the order of layoff, which shall be in inverse order of seniority within each work classification, provided that any employee who is to be laid off and has previously served in a lower classification covered by this Agreement, may exercise seniority rights to such a lower classification. Final determination of qualifications to perform remaining work duties shall be made by the City Manager, after discussion with the Union, and shall be a determining factor in allowing the displacement of a junior employee; however, where all factors considered are equal between employees, retention shall be on the basis of seniority.
- (b) In those instances where an affected employee has not previously served in a lower classification and has more years of service to the City than those less senior employees in the lower classification, shall be placed in the said lower classification displacing the least senior employee in the lower classification. The displacing employee shall be subject to a six-month probationary period with a three and five-month reportable probationary evaluation.

15.6 LAYOFF OF BUMPED EMPLOYEE

- (a) The employee laid off as a result of a displaced employee's reversion to a lower classification shall receive written notice of layoff not less than ten (10) working days prior to the effective date of the layoff.
- (b) The names of regular full-time classified employees who have been laid off due to reduction in force shall be placed on an appropriate reinstatement list according to the date of separation on the following basis; last employee laid off is the first employee on the list with other employees eligible in sequential order thereafter. Such list shall be used by the appointing authority when a vacancy for that class is to be filled before certification of any other employment list.

15.7 REINSTATEMENT LISTS

- (a) The eligibility of individuals on Reinstatement Lists shall extend for a period of one (1) year from the date of layoff. Individuals not responding to written notification of an opening within ten (10) working days shall have their names removed from the Reinstatement Lists.

15.8 NOTICE OF RECALL FROM LAYOFF

- (a) Notice shall be given by Return Receipt Requested Mail and shall specify the date for reporting to work, which shall be not more than twenty-one (21) working days from the date the notice is received. Notice shall be deemed to have been received when sent to the last known address on file with the City, and attempted delivery or actual delivery is certified by the Postal Service. Upon receiving notice, the person on layoff shall have five (5) working days to accept or decline the recall opportunity.
- (b) An employee who fails to respond to writing within five (5) working days, refuses recall, or fails to report on the prescribed date within the twenty-one (21) working days maximum, thereby waives all further right to recall and reinstatement as an employee. When recall is declined, the City will proceed to the next person on the reinstatement list and follow the same notice and response procedure. This process will continue through the list until recall needs are met or until the list is exhausted. Reinstated persons shall receive the following upon return to service:
 - (i) Retention of regular full-time service length accrued as of date of layoff.
 - (ii) The salary for the classification in effect as of the date of return, at the same step level as the date of layoff, not to exceed the top step.
 - (iii) The accrual rate of vacation and sick leave in effect for the employee's service length and class at the time of rehire. The insurance contributions shall be at the level of a new employee. All other benefits and programs shall be consistent with those provided to new hires.

15.9 RESIGNATION IN LIEU OF RECALL

- (a) An employee who elects to resign in lieu of layoff or while laid off shall forfeit all rights to reinstatement, and shall be entitled only to those rights under normal separation of service.

ARTICLE 16 – MISCELLANEOUS

16.1 DUES DEDUCTION

- (a) General
 - (i) The City shall start or stop deductions for dues or benefit premiums, or both, following receipt of notice from the Union that authorization has been provided to the Union by an employee in the Unit.  - (ii) The Union, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with SB 866 shall hold harmless the City of Lincoln, its officers, and employees from any liability that may result from making, canceling or changing requested deductions.

In the case of a member who is in a non-pay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.
- (c) Dues Deduction Check

The foregoing shall not preclude the parties hereto from meeting and conferring at any time during the term of this Agreement with respect to any subject matter within the scope of the meeting and conferring for a proposed Memorandum of Understanding between the parties.

16.3 SEPARABILITY OF PROVISIONS

16.4 NO STRIKE CLAUSE
